**What up, Chuck E. Folk?!**

**Hope you're holidays were fantastic! And if not, then may this year be the best one yet. We know you're going to love the NEW SHOW! It chock full of great songs and video. Plus, we've got some great new intermission material in there as well.**

**You may recall on the Costume Surveys that we sent out to you that we wanted input for the next Road Show. Well, the results are in and we have been able to make it happen: The Cha Cha Slide will be coming the first week of January! The cool thing is...it's good for all of 2006. Yes, 12 months of fun. WooHoo...can't get much better than the Cha Cha Slide for your Chuck E. performances. Now, that's makin' magic!**

**Okay...here's the deal. We've got to go at this 'new year thing' with some gusto. 'Whataya mean, Rob?' Well, I'll tell you what I mean what I really, really mean: we've got to have FUN! If we're not having fun, everyone around us is gonna know it. Plus, we're going to be miserable...no matter what. You know, the grass is always greener...uh, something like that. All I'm saying is that it's in the attitude. It's all how you look at. So, be positive, upbeat, and have a blast. We're certainly planning on doing that ourselves. And as a matter of fact...it's our pleasure to do so.**

**Peace,**

**Robert Gotcher**

# Let's Talk Sound

**Have you ever had a favorite CD? You know, one that puts you in a great mood every time you hear it? Or maybe you've got a song you really like, and when it comes on the radio, you crank it up and sing to the top of your lungs? Man, I tell you, music is powerful stuff. It can change the atmosphere of a place. It can add energy, lighten the mood, take your mind off your trouble s…well, it can do just about anything. Now take that knowledge and put it with our Shows. Yup…we work really hard to make these Shows sound great for both you AND our guests. It's part of the magical atmosphere at Chuck E. Cheese's. So it's important that we make sure the magic is happening. Let's keep those show levels up so folks can hear it. Yes, it may be the four-hundredth time you've heard Chuck E. sing that song…but little Suzie is here for her Birthday and she LOVES that tune! It would add so much for her to be able to hear it…even if she's not in the show room! Let's keep the magic turned up.**
